

GRANT SIGNATURE SHEET

A signed copy of this signature sheet must be uploaded and attached to the face sheet of each of your agency's grant applications. A delegate may upload this page into the Online Grant Application (OLGA) System and submit the grant application on your behalf, but your agency's President of the Board of Directors and Chief Executive Officer must affix their signatures to the bottom of this form before it is uploaded. Failure to do so will result in the delayed processing of your grant application and the possibility of ODADAS returning your grant application without consideration for funding.

By signing this document and attaching it to the grant application the undersigned signifies that (a) they have adhered as closely as possible to the documentation provided in their guidance for applicants (GFA) packet; (b) the information contained within this grant application is true and accurate to the best of their knowledge; (c) they have read and agreed to all assurances tied to this grant application.
