SUBJECT: SFY 2012 Women's Treatment Guidance for Applicants (GFA)

The Ohio Department of Alcohol and Drug Addiction Services (ODADAS) is pleased to announce that the State Fiscal Year (SFY) 2012 Guidance for Applicants (GFA) for Women's Treatment is available for currently funded grant recipients. This current grant application will cover a one-year period from July 1, 2011 through June 30, 2012 (SFY 2012). In SFY 2012, current ODADAS grant funded women's treatment grantees will submit application requirements electronically via the Online Grant Application System (OLGA). OLGA will be available for the SFY 2012 GFA Grant Application submission beginning Tuesday, February 15, 2011.

Applicants can apply for no more than the final amount awarded during SFY 2011. An email was sent to SFY 2011 grant recipients containing the estimated available funding amount for SFY 2012. Funds for these grants are based on an estimate of state and federal funds for SFY 2012 and will not be finalized until the approval of the SFY 2012/2013 biennial budget. Should funding be reduced below the estimated level, the amount of funds available for the grant may be reduced or terminated per written notice to the applicant by ODADAS.

Paper copies of the GFA application **will not** be sent to each currently funded program. To access the SFY 2012 Women's Treatment GFA documents, go to www.odadas.ohio.gov "Services," "Fiscal" followed by "Grant Guidance," and select "SFY 2012 Guidance for Applicants and Documentation." **Please note there is a separate SFY 2012 GFA and application process for Women's Treatment and Treatment and Recovery grants.** To be considered for funding, applicants must complete and submit the Women's Treatment application via OLGA by 5:00 P.M. on March 25, 2011. **Any application submitted after 5:00 P.M. on March 25, 2011 will not be accepted.** No paper, email, or facsimile copies of applications will be accepted.

All applicants (except direct-funded agencies) must submit a copy of their application to their local ADAMHS/ADAS Board for completion of the SFY 2012 Board Review/Comment Form. Applicants are advised to contact their respective Board for deadlines. The Board will submit the form with original signatures to ODADAS **by 5:00 P.M. on April 1, 2011.**

The funded program will request that the ADAMHS/ADAS Board enroll clients into Multi-Agency Community Services Information System (MACSIS), and the program agrees to submit, via the Ohio Behavioral Health Module (OHBH), admission and discharge records to the ADAMHS/ADAS Board on those clients within 60 days of the date of admission or discharge, respectively.

The State of Ohio is an equal opportunity employer.

Ohio Administrative Code section 3793:6-1-01, authorizes the Ohio Department of Alcohol and Drug Addiction Services to withhold from a Board or an alcohol and drug addiction program all or part of the state and federal funds allocated or granted by the Department for a specific program for any of the following: (1) Failure of the program to comply with rules adopted by the Department, (2) Failure of the program to comply with provisions of state or federal law, including federal regulations.

All ODADAS grant funded programs will receive their funds on a grant distribution basis. Board funded agencies are funded by ODADAS through the ADAMHS/ADAS Boards while direct funded agencies will receive their funds from ODADAS. A grant distribution basis provides sufficient funds for approved allowable costs that are necessary to the operation of an agency to carry out the program's services. State funds will be distributed on a quarterly basis. Federal funds must be requested through the draw down process based on actual expenditures incurred, plus a projection of expenditures not to exceed 30 days.

The Divisions of Treatment and Recovery Services and Fiscal Services will provide Guidance for Applicants (GFA) Training for SFY 2012 Women's Treatment grant applicants via webinar, on February 25, 2011 from 10:00 A.M. to 11:30 A.M. and March 1, 2011 from 1:30 P.M. to 3:00 P.M. The training will provide information regarding the grant application components and submission via OLGA. Training participants should review the Women's Treatment GFA and be prepared to ask questions. If you plan to participate in one of the webinars, you must register your contact information and preferred training date online by 5:00 P.M on Wednesday, February 23, 2011. The registration link is available on the ODADAS website under "Services," "Fiscal", "Grant Guidance" and "SFY 2012 Guidance for Applicants and Documentation" or you can link directly at: <https://www.odadas.ohio.gov/ei11/getdemo.ei?id=40&s=2KG001E82>. Webinar login instructions will be emailed to registrants closer to the training date.
