

SPF-SIG Advisory Council

Role:

- Oversee implementation of SPF-SIG.
- Work in collaboration with the Epidemiology workgroup.
- Develop timelines for completion of the Strategic Plan.
- Approve the Strategic Plan before sending to CSAP for approval.

Expectations:

- SPF-SIG meetings
- Connection to the Governor's office
- Community as well as state perspective
- Diversity
- Focus on getting the work done
- Relationship to SPF-SIG staff
- Relationship to SPF-SIG EPI Workgroup

The Implementation and EBP Workgroup can be a sub-committee of the SPF-SIG Advisory Council.
