**April 15, 2015**

**Molly Stone, LSW, OCPS II**  
**Stacey Frohnafel-Hasson, MPA**

# Agenda

- **Partnership for Success Overview**
  - Ohio's Prevention Priorities
  - Description of 2 Grant Areas
  - Grant Opportunities Detail
- **Problem Gambling Grants Overview**
  - PG Continuum of Care Overview
  - Description of 4 Grant Areas
  - Grant Opportunities Detail
- **Q & A**

# Partnership for Success Overview

- 5 year federal grant project that will help build an integrated public health infrastructure
- Expanded infrastructure and increased workforce capacity will lead to an increased use of evidence-based practices
- Focus is on Ohio's Appalachian and rural populations to have equitable access to culturally competent prevention services

# Ohio's Prevention Priorities

- Increase access to prevention services by enhancing prevention infrastructure
- Prevent or reduce consequences of underage drinking for persons aged 12-20
- Reduce prescription drug misuse and abuse among persons aged 12-25

# Grant 1 Description

## Evidence-Based Hub for Prevention Practice in Rural & Appalachian Communities

- Purpose of this funding is to support ONE entity to coordinate and facilitate evidence-based prevention practice for rural and Appalachian populations
- Develop an infrastructure that is culturally competent
- Coordinate training, technical assistance, coaching, supervision, planning and mini-grant opportunities

# Grant 1 Details

## Eligible Applicants

ADAMHS/CMH/ADAS Boards, Providers, Coalitions, Local Governments, Faith-Based Organizations, Educational Entities, Institutes of Higher Education

## Funding Range

First year of funding up to \$200,000

Subsequent years of funding up to \$125,000

## Grant Period

Initially awarded for one year period

Renewable for 3 subsequent fiscal years

# Grant 2 Description

## Partnerships for Success (PFS ) Mentor Collaboratives

- Purpose of this funding is to support up to 6 previous SPF SIG sub-recipients to provide mentoring/coaching and support to high need Appalachian/rural projects
- Provide training, technical assistance and other support in implementing evidence-based prevention
- Will work closely with Evaluation Team to provide necessary training and technical assistance

# Grant 2 Details

## Eligible Applicants

- Previous SPF SIG sub-recipient coalitions (must have extensive knowledge of SPF)
- Eligibility not impacted by change in fiscal agent

## Funding Range

- First year of funding up to \$35,000
- Subsequent years of funding up to \$35,000
- Renewable for 3 subsequent fiscal years

## Grant Period

- Initially awarded for one year period
- Renewable for 3 subsequent fiscal years

# Problem Gambling Grants Overview

**EBPs (Evidence-Based Practices)** – Develop, implement and evaluate promising and EBP models for prevention and treatment of gambling disorder.

**Awareness-Building** – Develop, implement and evaluate a program to build awareness of healthy choices, responsible gambling practices and available state resources.

**Continuous Quality Improvement (CQI)** – Develop, implement and evaluate a program of CQI to enhance Ohio's problem gambling services system of care.

**Workforce Capacity-Building** – Includes planning & implementation of Supervision Fellowship Program, regional training seminars and statewide conference.

# 1. Evidence-Based Practices

- Develop, implement and evaluate promising and EBP models for prevention and treatment of gambling disorder.
- EBPs may also include policies and practices related to community engagement, cultural and/or linguistic competence if evidence of outcomes and/or return on investment is provided.
- Previously funded promising practices may receive continuation funding towards ongoing evaluation.
- Collaboration is encouraged – MOUs required if applicable.

# 1. Evidence-Based Practices Details

## Eligible Applicants

- ADAMHS/ADAS Boards, MHA certified providers, coalitions, local government, faith-based orgs & educational entities, including higher education.

## Funding Range

- Proposals will be accepted for up to \$50,000.

## Grant Period

- Initially awarded for one year period; renewable for one additional year with noted progress toward goals.

## 2. Statewide Awareness Building

- One grantee will be selected to develop, implement, and evaluate a statewide program to build awareness of healthy choices, responsible gambling practices and available state resources.
- Problem Gambling Awareness Campaign to be developed for a statewide audience.
- Campaign to include a toolkit for turnkey use by local communities and organizations.
- All campaign messaging is to be tested with target audience(s).

# 2. Statewide Awareness Building Details

## Eligible Applicants

- ADAMHS/ADAS Boards, MHA certified providers, BH orgs., coalitions, local government, faith-based orgs & educational entities, including higher education.

## Funding Range

- Proposals will be accepted for up to \$100,000.

## Grant Period

- Initially awarded for one year period; renewable for one additional year with noted progress toward goals.

# 3. Continuous Quality Improvement

- Develop, implement and evaluate a program of continuous quality improvement to enhance Ohio's problem gambling services system of care.
- Provide evidence of appropriately qualified staffing with demonstrated experience in the areas of evaluation, training and technical assistance, and/or continuous quality improvement models.
- Describe methodology for development of CQI process, including information gathering with stakeholders and cultural competency.
- Recruitment of partner professionals, as needed.

# 3. Continuous Quality Improvement

## Eligible Applicants
