The following request(s) were received and processed for First Quarter Funding. Per the instructions, please allow 4 – 6 weeks for checks to arrive/to be deposited if you have direct deposit. Housing staff has no control over the length of time it takes to process these payment(s).

If you have requested direct deposit and a check came instead, please contact Ohio Shared Services (OSS) to get this corrected. Their contact information may be found under the Frequently Asked Questions (FAQ) Tab.

If you are looking for your request and it does not appear below one of three things happened:

- It arrived after we closed processing and will be on the next payout scheduled for the end of October, or
- The request(s) was rendered incomplete. All incomplete requests are put to the side and will be dealt with once all complete applications have been processed and as time permits. Generally, we will make every effort to track/look up the missing information when possible and/or we will contact you via email or by phone.
- Facility is not currently in good standing (expired licensure, suspension, unresolved violations, missing documentation, etc.)

Once the issue(s) have been resolved we will process the request(s) in that process, if time permits otherwise it will be in the next processing. To avoid your request(s) from being set aside, please double check the form for completeness (address, city and zip), facility license number, all appropriate items are selected, legibility, accuracy and the name is properly printed, signed and dated.
