

## State Mental Health, Addiction Agency Names Chief Information Officer

(COLUMBUS – June 25, 2019) The Ohio Department of Mental Health and Addiction Services (OhioMHAS) has named Renee Tolliver as Chief Information Officer (CIO) overseeing the department’s IT section. As CIO, Tolliver will be the lead in establishing/maintaining infrastructure, project management and systems support for information technology throughout the department.

Tolliver brings more than 20 years of experience in not-for-profit and publicly-traded companies. She comes to state government from Nationwide Insurance, where she served as director of data advisory services since 2018. She previously worked as a technology lead and senior manager at T. Marzetti and performed various IT-related work for Trinity Health, OhioHealth, Inc. and The Ohio State University Medical Center.

She earned a bachelor’s degree in Communications from Bowling Green State University and is a certified Project Management Professional.
